WGE | ADB Weather Guard Enclosure

Features:

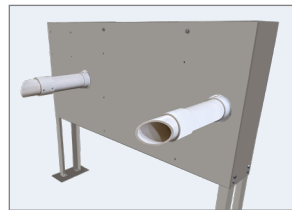

- Outdoor enclosure guards Air Disinfection Biosecurity units from the elements - rain, sleet, snow
- Removable cover for easy access
- Adjustable height
- Pre-drilled holes in feet for easy mounting
- Open holes in rear for PVC input and output

Applications:

- For outdoor or rooftop mounting - enclosure houses ADB unit and DRV driver box.

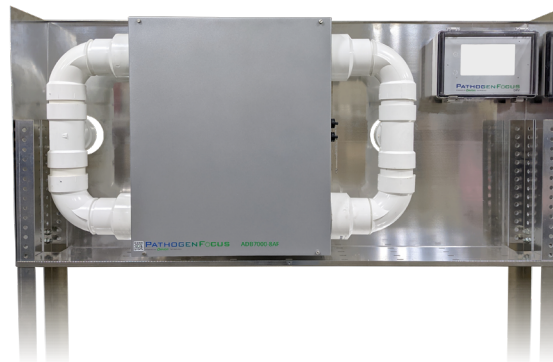

Construction:

- Cabinet constructed of durable 14-gauge aluminum
